I would like to thank all those that have helped me in putting this Thompson family together.

I started in 1969 and have been working on and off the family till 2016 when I decided it was time to stop and get this info where others could use it.

You will notice there are several different addresses on the family group sheets as have printed them at different times.

As of the 16th of June 2016 the above is my new and hope last address. I moved from upstairs to down stairs as my kids kept after me to not do the steps as may come a time when I couldn't so best to do when I can, and sure glad I took their advise as know in a few years I would never have been able to make that move. I'm healthy now but you never know from day to day what will happen. The only way to live now is from day to day.

This would actually be Book 2.
Family of Ignatius and Ann ? Thompson and their 9 children. Book 3 and 4 will be their son John Wesley and Mary Harpole Thompson and Book 5 will be their son Levi Douglas and Martha Billiter Thompson and their children.

Book 1 is the first of this line that I know which is Oswald and Anna or Nancy ? Thompson Sr.

Sarah Elizabeth (Thompson) Linder was born in Louisa County, Iowa, March 5, 1847, and passed from this life at her home in Bucklin, Mo. August 28, 1927, age 80 years 5 months 23 days.

When only 9 years old she moved with her parents John and Mary *Thompson* to Adair Co., Mo., where she lived until she was married to Benjamin F. Linder, August 31, 1865. To this union 3 children were born: Anna Ethlyn, who died in infancy, Elva O. Cantwell, of Bucklin and Dr. Willard H. Linder of Clinton, Iowa, who passed on to that home beyond May 21, 1916.

Besides a number of nephews and neices and a host of close friends Mother Linder leaves to mourn her departure two brothers: Charles W. Thompson of Mt Pelier, Idaho and Willard O. Thompson of St Maries, Idaho.

At the age of 19 Mother Linder united with the United Church, an old log church house close to the cemetery where she is to be buried.

In 1881 she affliated herself with the Christian Church at Winigan. In 1907 she became affiliated with the Christian Church of Bucklin, where she remained true to the ideals and life of the Savier. She was interested in the church and all its activities. Next to her home her church came first.

A Christian Mother, a Christian neighbor and a Christian church member was Mother Linder.

Short services were held at the home in North Bucklin at 10 o'clock, conducted by Rev. J.P. Pound, assisted by Rev. T. Earl Stack. After which the remains were taken to Mount Carmel, where another service was held and the body laid in its resting place in the nearby cemetery.

Montpelier Bears Meet Soda Springs

Tomorrow night, Friday, the Bears meet Soda Springs high school which has been playing some good ball this year. Their team is built around a huge center by the name of "Jumbo" Woods. Soda has been breaking even with the teams in the sub-district.

As a preliminary the 7th grade from Montpelier will tangle with the 7th grade from the Emerson school of Paris.

These two games and the one February 9, against Paris, mark the end of high school basketball in Montpelier for 1934. Two starting regulars, Smith and Homer, as well as Nate, will be playing their last.

Other members of the squad are: Fresh, Densley; Sophs, Carleton, Young, Humerick, and Orchard; Juniors, Messerley, Bridges, Nelson Gertsch, and Shepherd.

HOG PRODUCERS MEETING SUCCESSFUL

Sixty-five Hog Producers of Bear Lake County attended a meeting called by the County Agent in the Court House last week.

Only farmers who had produced an average of three litters of pigs per year for 1932 and 1933 were eligible to attend.

E. T. Benson and J. W. Barber from the Extension Division were present to explain the details of the Government Program for Hog Reduction to the farmers.

A copy of the preliminary work sheet, contract, and statement of supporting evidence, was given to each farmer with instruction as to the method of filling out. Examples were worked out to give the farmer an understanding of the contract.

The Farmers organized into a temporary hog control association, consisting of the following:

No. 1—Geneva, Raymond, Pegram, Alton; Ed Hall, Committeeman.

No. 2—Ovid, Dingle, Wardboro, Montpelier, Bern, Bennington; J. A. Berrey, Committeeman.

No. 3—Georgetown, Nounan, Eight Mile; Oren Solum, Committeeman.

No. 4—Fish Haven, Paris, Lanark, St. Charles, Bloomington, Sharon, Liberty; Albert Miller, Committeeman.

All Hog Producers seemed very much in favor of the program offered by the Secretary of Agriculture. After the farmers have filled out the papers as best they can there will be contract signing meetings held in each community.

Mobilization Of Boy Scouts

At the call of President Roosevelt all Boy Scouts and Adult Scouters will mobilize on Saturday, February 10th, at 10 a. m., to hear a call to service by the President of the United States. Over the National and Columbia networks the President will personally address the thousands of mobilized units and assign a definite piece of work for the Scout Movement to undertake as part of the emergency reconstruction program. What the service is will remain unknown until after the address.

Reports on the number of Scouts Scouters and Friends of Scouting, who attend these meetings are to be sent to Area Council offices by wire immediately after the address. These in turn will be reported to the Regional Offices and thence to the National Office, and a complete report of the mobilization released to the press on the same evening of Saturday, February 10th. This undertaking will provide a unique test of the strength of Scouting, its willingness to respond, and the availability of the thousands of units of Scouts throughout the nation if their services were to be needed on short emergency notice. Other national figures to take part in the broadcast are chief executive James E. West and National President of the Boy Scouts of America, Walter W. Head.

The various Troops of the Montpelier District are now working on plans through which the mobilization can be made 100 per cent effective. At present it has not been decided whether the seven Montpelier Troops will meet as separate units on in one central meeting. Definite announcement will be made next week.

Parents' cooperation in making possible the attendance of every boy of Scout age at these meetings to hear the personal message of the President of the United States will be greatly appreciated by Scout officials.

Librarian,

I am trying to locate an obituary of my great Uncle who died in Montpelier, ID and was wondering if you have access to the newspapers of the city (if they have any) from the time period of 1934? I need a photo copy of the obit of him if you could.

CHARLES WALKER THOMPSON died 26 Jan 1934 Montpelier, ID

He is buried in the Montpelier cemetery. He was born 1849 IA. Married 2nd time to Clyminie ?, who believe was living at time of his death. She was born 1872 IL, if you have an index of deaths she might be listed?

Enclosed \$2 for copies if located. Thank you for your help.

I know this is a long shot but needed to try anyway. I am looking for info on my great Uncle who died in Montpelier, ID and is buried in the cemetery there. The library tells me there are no papers for this time period so decided to try the Mortuary.

Since there was only one listed for the city I was wondering if you were in business in 1934 and could help me, if not would there be anyone that could?

I need a photo copy of the information that was filled out for him when he died if that is possible. Hopefully would tell of his family, brothers & sisters. I have his death certificate and Undertaker was listed as ?? Williams of Montpelier.

Sources: It is true the mother was older when the last children were born, for we have her birthdate verified, at least Hist. of Ancient Woodbury claims this is so. This is the date of the chr. of the last two children in 1700 and 1701. I have known one friend who had her last child at age 54, so this is not that impossible.

HUSBAND - Valentine PRENTICE-4874

SOURCES: 1. Corrections have been made on all former sources used since research in England has proven the name of Valentine's wife, as Alice Bredda, and identified 3 children, one son who died in England since they only had two sons travel with them to America, and one died at sea, leaving our John Prentice the only living child. Since then we believe this is correct that we have found Valentine with parents and a true birthdate for him. We first found him in Binney's who says the first located record of Valentine Prentice was in the First Church, Roxbury, Mass. & on bottom of pg. 1 that he came over from NAZING ENG. AND BURIED A CHILD AT SEA.

2. VALENTINE PRENTYS WAS CHR 25 FEB 1598 IN FELSTED, ESSEX, ENG. HIRED RESEARCHERS FOUND THIS FOR US AND A TRIP BY JOE DEWALD TO ENG. VERIFIED AT LEAST THE #1 SOURCE ABOVE.

In the family group record in the computer there was no place for a chr. date, which all of these are. They have been put in the place of the birthdate.

WIFE - Alice or Allice BREDDA-4875

Sources: 1. Marriages of Early American Immigrants Vol 2 pg. 47 for her marriage to Valentine PRENTICE in Chelmsford, Essex, England. The family name of Alice was illegible (except for the 1st letter) in parish registers. In 1988 research was done in Chelmsford, Eng. by L. Joseph Dewald, PRENTICE REL. DES. FROM JOSEPH ROLLIN PRENTICE BROTHER OF MARGARET ELIZABETH PRENTICE CLAYTON from Roseville, Calif. a wonderful help in adding information on many lines for us. Researchers there looked for the children of Valentine PRENTICE, and in doing so found the mother's maiden name listed with one of the children. We have the three children born in Chelmsford. One must have died before they left Eng. and one died at sea, leaving John our ancestor as the only living member of this family.

CHILD 1 - Josias PRENTICE-4876

NOTES; THIS IS BEING ENTERED HERE BOTH AS A MALE AND A SEPARATE ENTRY FOR FEMALE SINCE SEX WAS UNKNOWN.

RE: KIT CARSON THOMPSON Died 26 Feb 1960 Blackfoot, ID.

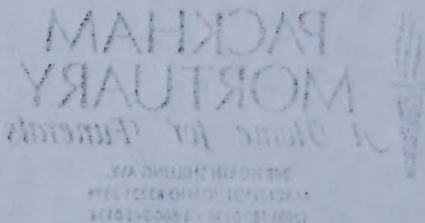

I was wondering if you may have the death and burial records of Kit Carson Thompson? He was born 1872 MO.

He died in Blackfoot, ID and buried there but don't know what cemetery. There were two Funeral homes but since a son's services were from there I thought I would start with yours.

I would like a photo copy of his information from there if it is available.

Enclosed is \$2 for copies and thank you for your help.

Gladys,

Dear Cousin,

Grandma Thompson (Eddie) passed your letter on to us, as we are the ones who ~~do~~ ^{do} genealogy. It was so good to get your address in Iowa. We've been so busy in genealogy that letter writing has slid.

Forgive me for not writing that we lost your address. And I guess I can say I got busy doing genealogy with Elden. We enjoy it so much.

How is Esther House? We enjoyed our visit so much with her. She is a very special lady. And found a special spot in our hearts for her. We hope to return and see her again in a few years. I hope she is doing well.

Our oldest boy James is getting married in 2 months. This is our 1st experience in this field, consequently our data inputting has slowed down.

How are you doing on your book? Please let us know if you need anymore information. I noticed some of our information needs updating. I'll try to get that information for you.

Forgive me for not completing all of this, if I didn't send this right off, it might have taken me a few more months to complete it.

Everyone is fine. Our children James, Jennifer + Mike are all in College (2yr school) James + Jennifer graduate in April + June. ~~With~~ Michael is going on an LDS mission and Scott our youngest is

2 17 yrs old and a Jr in High School. It seems like ~~an~~ all of
our kids left all at once. But it's great to see them
growing and learning.

I better run or I won't get this off tomorrow.
Have a great week and look forward to keeping in
touch.

Sincerely,

Ira Thompson

Dear Eldie,

I have been doing research on our Thompson family for some time and had corresponded with your son Elden and wife Ina in 1988 & 1991 and they sent me some info on their children and only names of his brothers and sisters. I was wanting to try to complete this family so was wondering if you could give me the names and addresses of your children so I could write them and complete their info. It appears your son Ralph Jr lives at the same address so would ask him to also complete his family for me.

I have enclosed a family group sheet of what I do have and would like info on your grandchildren so if I had your childrens addresses it would help. Also is a pedigree chart you can keep if you like showing our lines.

Your husband and I were 2nd cousins twice removed and your children are my 3rd cousins. We descend thru Ralph's father Kit Carson Thompson and his father Charles Walker Thompson to John Wesley Thompson Sr. John had a son Levi Douglas who I descend from.

I was also wondering if you could tell me anything of Kit Carson Thompson and his father or of Kit's brothers or sisters? Maybe he might have said something that you might remember that could put me in touch with some of their descendants. Some went out west and I haven't been able to locate anything to date.

Any help would be most appreciated. Thank you.

Dear Elden and Ina,

It has been some time since I have heard from you, which may be my fault since my last letter in Jan 1989 I had told you we were moving back to Iowa and so maybe you didn't write because you didn't know my new address. We moved back here in July 1989 and I failed to send you my new address.

I received a Xmas card from Esther House and she said you had been there in July 1991 to visit some relatives on the Prentice family. Were you able to find out where Delinda Prentice Harris died?

I had copied these pictures to send to you and now since you have been there you probably have copies of the cemetery gravestones which are probably better than these, but will send them anyway. Maybe you don't have copies of all of them. Had you ever been to Kirksville before? I try to go back there every couple years and didn't make it last year but if I knew you were going to be there I would have made it a point to come so I could meet you. If you plan to be that way again please let me know. I'm sure you enjoyed your visit with Esther, she is such a delight, I always enjoy visiting with her. We are related through double lines. Through the Thompson line and also the Lowe line. So she has been a big help to me from there.

I would very much like a picture of you and your family as well. Let me know how your trip to Mo went.

Hope you had a Merry Christmas and have a Happy New Year.

Gladys, we have lots more and will send more to you. Sorry we didn't get this off when we wanted to. Have a happy new year.

Please let us know if this is what you want? We are still doing research to make our information more complete. Looking forward to the information on Levi and Mary Martha

Thompson and what ever else on Harpole & family members.

We found a Levi D. married to a Sarah J. Basley

on January 26, 1870 - Adair Co. Missouri. We took

a verious copy of the marriage license thinking it was a 1st marriage of Levi Thompson.

Is Mary Martha his 1st wife?

Better run or post office will be closed. Have a good week.

Ira

Dear Gladys,

What a treat it is to have heard from you. We would be happy to exchange information on our family lines. You are welcome to have any information that we have on the Charles W. Thompson line. The W. in his name is Walker. We is known by Charles W. Thompson.

Elden and I have only been working on our ancestral lines for about 2 years. We would appreciate any information that you have on the John W. Thompson line, his children and their families, and Mary Harpole Thompson line. As we find new information we would be happy to share with you.

You have helped us already by giving us the marriage date and place of Charles W. and Delinda Prentice. We have a death date on Delinda, but no place. Both Idaho and Wyoming Vital Statics say there is no record of her death. We've asked everyone in the family and no one seems to know where she died. In the 1910 census record Delinda and 2nd husband, Robert S. Harris, were in Wyoming. From there we have no idea. If you have any suggestion where we could research, we would appreciate the help. We will keep trying until we find them. Delinda was known as Lennie. We were told that Charles W. had married another woman but we have no record or information on this. The family always referred to g grandpa Charles Walker and g grandmother Delinda Prentice.

In your letter you stated:

Charles & Delinda had a dau Pearl b. ca 1881-1885 MO. (This is a missing child we have been looking for. THANK YOU.) Gladys what does the ca before 1881 mean. Do you know where she is buried? Or do you have a more complete birth date? Also where was this information found?

Kit Carson Thompson, the oldest child of Charles W. and Delinda is the line we come from. In your letter you said you wrote to an R./K.C. Thompson at Rt. 1 Firth, Idaho, this is Eldens old home where he grew up. They moved from there quite a few years ago. The R. is Ralph Elmer Thompson, Eldens father. He was known by Ralph or Ralph E. Thompson. He passed away 8 years ago. The K.C. is Kit Carson Thompson, who was living with Dad until his death.

Charles Willard Thompson was married to Ida Broyles (the sister of Myrtle Broyles, wife of Carmon John Thompson). Don't know when they were div. Charles Willard Thompson was also married to a Edna Wells. We didn't know they had a daughter. Where is this information from? Do you have a birth or death date on her? I've included their sheet so you can see we have little information on them.

The sheets we've enclosed are from our computer. The numbers following each name is the number the computer have given each person. That is the only meaning to the number.

Please tell us about yourself and your immediate family. I've included our family group sheet so you know more about us. Elden is a Quality Assurance manager for Westinghouse Nuclear Idaho Company at the government site. I'm a pianist and give music lessons and enjoy staying home with our 4 children.

We hope you are doing well. We wish you a wonderful Christmas Season and a

Dear Cousin,

I just received a letter from Esther House of Kirksville, MO. and she said you had written her, being a descendant of Charles W. Thompson.

I have been researching that line the Thompson line for several years. Just this past year I had been working on Charles W. Thompson, John Wesley Jr, and Willard Thompson. John's family I have found descendants, but had not been able to locate any from Charles or Willard's family. I descend from their brother Levi and Mary Martha Billiter Thompson, who stayed in Adair Co. MO.

Maybe you can help me with information on Charles W. I wrote and received his death certificate, then I wrote to a R/K? C. Thompson at Rt 1 Firth, Idaho, as this was the informant of the death cert., but received no answer. Was not able to locate an obituary of him. Was able to locate very little on son Charles Willard Thompson, born 1876 Adair Co. MO., died 19 Oct 1908 Rovenna, Nebraska, buried in Adair Co. MO.

Have more on all the above except ones I first mentioned. If this is
your line, I would most happily exchange information with you as I
sure would like to complete Charles W. Thompson's line.

Also maybe you know something about Willard and Ida Thompson, they
were suppose to have been in Idaho or MT, I haven't been able to
locate them either.

Hoping to hear from you soon.

Sincerely,

Dear Ina and Eldon,

Thank you so much for all the info you sent on the Charles W. Thompson family, that was just what I was needing, now if we can find out some info on Willard Thompson, brother, I will have that line almost complete, with a few blanks, but with all the info on all the children.

I am not sure until I find info on Willard Thompson's family, but I beleive this is the Willard that married Ida Broyles, His wifes name was Ida. By the estate record of Charles Willard, son of Charles W. Thompson, his wifes name listed as Edna G., by the info on the child don't think he was married before. I will have to go back and look but I think I found a census record of James Broyles, father of Ida and Myrtle and there was some difference in the girls ages. Ida being somewhat older than Myrtle. So the sisters could have married Uncle and nephew and not brothers. DO YOU HAVE PROOF of marriage of Charles Willard Thompson, son of Charles W. Thompson did in fact marry Ida Broyles?

I also came across the name of Pearl as the daughter of Charles W. and Delinda, but right now I can't lay my hands on it. Will keep looking. However I believe the Pearl you have listed as Estelle Pearl b. 1882 is probably this one. I only knew she was born between 1881 and 1885. Had no more information on her, of marriage or death.

The marriage record of Levi Douglas Thompson to Sarah Bosley was his first marriage. He was divorced 14 Nov 1871 and then married Martha Billiter and when she died he married Mary Dowdy 11 Jan 1907. When he died she remarried to Mr Stribling.

I have enclosed some info on the family lines that I have researched and have more to do on some of them, but have found about all the info I can lay my hands on at the moment. I have been to Madison Co. OH and researched there, and to Kirksville, many times as I have relatives there.

I was born in Kirksville, MO. and left there when I was 5 years old to live in Ill and then 1945 moved to Scott Co. Ia where I lived until we moved here in 1978. However we have our house up for sale and when it sells we are moving back to Bettendorf, Iowa. My Mother lives there with my step-father and my brother lives there. Up until last year my 3 children were here also, but one by one they left to go back to Iowa. My oldest daughter Sherylnn Kay Houser is living in Davenport, IA. with her son Jason Blair Houser who is 10. My youngest daughter Gayle Renee Houser Bush is living with her, but is separated from her husband and she has 2 children, who up to now have been living with their father in California. The children are moving to Iowa to live with Gayle. Caanan and Brittany are 5 and 3. The middle son, Larry Martin Houser is divorced and living in PA and working right now. They all move around so much you can't keep up with them. My husband had back surgery in 1976 and has not been able to work so we moved here in 78 to get out of the cold and be closser to Ft. Hood Army hospital, as he is retired Army CW2. But now with the cut backs in the military health care and the fact that now he is not able to ride back to Iowa every year and my Mother is getting up in years and the trip here every year is getting much for them, and

I also came across the name of Pearl as the daughter of Charles W. and Delinda, but right now I can't say my hands on it. Will keep looking. However I believe the Pearl you have listed as Estelle Pearl B. 1882 is probably this one. I only knew she was born between 1881 and 1882. Had no more information on her, of marriage or death.

The marriage record of Levi Douglas Thompson to Sarah Broyles was his first marriage. He was divorced 14 Nov 1871 and then married Martha Billster and when she died he married Mary Dowdy 11 Jan 1887. When he died she remarried to Mr. Striding.

I have enclosed some info on the family lines that I have researched and have more to do on some of them, but have found about all the info I can say my hands on at the moment. I have been to Madison Co. OH and researched there, and in Kirtlandville, many times as I have relatives there.

I was born in Kirtlandville, MO, and left there when I was 2 years old to live in IL and then 1945 moved to Scott Co. IA where I lived until we moved here in 1978. However we have our house up for sale and when it sells we are moving back to Bettendorf, Iowa. My Mother lives there with my step-father and my brother lives there. Up until last year my 3 children were here also, but one by one they left to go back to Iowa. My oldest daughter Sherrin Kim Houser is living in Oskawville, IA, with her son Jason Blair Houser who is 10. My youngest daughter Dixie Renee Houser Bush is living with her, but is separated from her husband and she has 3 children, who up to now have been living with their father in California. The children are moving to Iowa to live with sister. Cassen and Britany are 8 and 6. The middle son, Larry Martin Houser is divorced and living in PA and working right now. They all move around so much you can't keep up with them. My husband had back surgery in 1976 and has not been able to work so we moved here in 78 to get out of the cold and be closer to St. Hood Army Hospital, as he is retired Army CMT. But now with the cut backs in the military health care and the fact that now he is not able to ride back to Iowa every year and my Mother is getting up in years and the trip here every year is getting much for them, and

the kids all wanted to go back to Iowa, we decided it would be better if we moved back there. Chuck said he would just have to stay in the house in the winter, but guess could survive.

I have worked at a drug store here for 5 years but had to quit to take care of my husband as he was not able to stay by himself anylonger. I work 2 weeks in the fall at the District Attorneys office filling in for the reg. sec. while she is on vacation. Other than that I work on genealogy, which I try to publish a book of some kind every so often. I have done 4 in the last 4 years. 1 on family and 3 on other. I like to read and make most of my own clothes. Besides belonging to Coryell Co. Gen. Society and being treasurer for several years and also put out the quarterly for the Genealogy club for the last two years and am Vice Regent of the newly started DAR club this year, I seem to keep pretty busy. I have taken two college courses this year one in Criminal Justice and the other Computer Word Processing so that also kept me busy. (1988) (and one in 1987 on History)

My husband has a Commodore computer and we got the Family Roots program by Quinsept, and then I got a commodore also but I didn't want to get so involved in the family roots program so I made up my own family group sheets and pedigree sheets, which was great for just storing data but you couldn't call up anything other than that so when I started the computer class we decided to upgrade my system to IBM compatible and I have a good word processor and an index program which is great for indexing my books. And now have just received a genealogy program for the IBM and now have to change all my info to that so I guess you know what I will be doing this next year, besides moving. I wanted an easy program that would do what I wanted however this program is not as easy as I had hoped but will do. All the Thompson info is on my own family sheets so will have them on the Genealogy program later.

What kind of genealogy program do you have that you sent your info on? The family group sheets for my new program looks something like yours. Not quite though.

I have been wanting to do a family book on the Thompson's but I keep hoping I can collect more info and be able to get back farther on the line before I start. That time may never come so someday I will have to do it anyway. I completed one book on my fathers line of Lowe and one on my mothers line of Dyer, which I really need to redo as it wasn't complete when I did it, as it was my first venture and I really am not happy with it now. That too will be quite an undertaking. I have been working on genealogy for 20 years continually so you can imagine the material I have.

Well I had better get this in the mail so write when you can and please keep in touch. The picture is just to keep the mice away.

Incumbent Hundrup: We've proven our ability

■ Trustee who has served 12 years, including being on the negotiations team, thinks the district is doing a lot right

This is the third of six interviews with candidates for two seats open on the five-person Lewiston School Board in Tuesday's election.

By Sandra Lee
of the Tribune

The present Lewiston School Board has proven its leadership, its ability to listen and its ability to respond, said Daniel B. Hundrup, who wants to be elected to a third term next week.

Hundrup has served 12 years on the board. His youngest son will graduate from high school next month, but his interest goes beyond having children in school, he said.

An addition is being planned at Camelot Elementary. Improvements are being made in supervision and evaluation. Things are happening continually. "I just want to continue to be a part of that," Hundrup said.

He has been on the district's negotiations team every year since he was first elected. "That's an incredible time commitment and it's probably one of the least fun things you do," he said. But he believes having the board work out a contract with the teachers is one of the reasons it has a good relationship with the staff.

Hundrup

would be much easier to let someone else do it."

"We have got really good people to work with. If we didn't have, it might be kind of different, but when you've got good staff, you can accomplish things, and it's rewarding working with good people."

Hundrup is one of six candidates for two open seats on the five-person board.

The others are fellow incumbent William F. Davis and challengers Cathy J. Morgan, Jock Pring, Lance D. Reedy and Gordon G. Gregg.

Four town meetings were held last year when parents were upset

about declining scores on the Iowa Test of Basic Skills, teaching methods, discipline in the classroom and programs for gifted and talented youngsters.

In response, intervention programs, which remove disruptive students from the classroom but not from academics, have been expanded at the elementary and junior high schools.

An additional full-time person was hired to work with teachers to provide additional challenges for gifted and talented students, and a second full-time person is included in the preliminary budget for next year.

A committee comprised heavily

of parents was formed to rewrite the district's strategic plan.

Another committee worked much of the winter on a new homework policy.

Many of the concerns linked to outcomes based education were found to be based on what people are hearing nationally and weren't specific to the Lewiston district, but the board listened and tried to respond to all the concerns, he said.

"There is an example of why I think I should be on the board. I personally wouldn't have thought we needed to redo the strategic plan, but enough people in the community felt we should, so we

let the process work."

He's found the amount of time that has had to be devoted to the strategic plan frustrating, "but if you're going to let the process work like it's supposed to work, there's some of that you have to go through," Hundrup said.

"I sense that some of the candidates are supported by people who want to see more change. I think they will come a lot closer to getting what they want having Bill (Davis) and I on the board than having two new people on the board ... because of our track record of implementing change already, based on what we heard at the town meetings, and because of

our working relationship with administration and staff."

The one thing that would do the most to improve the quality of education would be to involve more parents in their children's education, Hundrup said.

Parents need to not only come to board meetings and PTA meetings, although those are important, but they also need to help their kids learn times tables and spelling words, go to parent-teacher conferences and coordinate efforts with teachers, he said. "The children who do well in school now generally have parental support."

If he could ask the other candidates a question, he would want Gregg and Reedy to explain why they want to serve on a public school board when they don't have enough confidence in the system to send their own children to it, Hundrup said.

From all of them, he would like

to know if they have any particular agenda in mind if they are elected.

When Hundrup was first elected in 1983, it was from a field of seven also seeking two positions.

He sees the similarly large field of candidates this year as the result of the interest generated by last year's town meetings and because there seems to be a perception nationwide that public schools are in trouble.

"Sometimes people are caught up in that perception without looking at their own school district to see if the concerns apply there," he said.

"If we have a weakness, one of them is that we don't communicate well enough on the good things that are happening and all the good things we do for students."

Dear Daniel,

This will probably be a strange letter to you but your name came to me by a round about way so thought would write you to see if you were related to the person's I am looking for.

I am looking for a relative of Mrs Ettie Myrtle (Thompson) Hundrup who died in 1962 of Pomeroy, WA. Her obit listed three sons, Glen L. Hundrup of Clarkston and Carl J. Hundrup of Lewiston besides another son and daughter.

The funeral home in Pomeroy gave my letter to Elaine Anderson and she happen to talk to someone who remembered her mother taking care of some Hundrup children many years ago so she checked the paper for me and found her obit. Then when she answered my letter she sent an article along from the Lewiston Morning Tribune of one Daniel B. Hundrup and the school board election and she said maybe you were a son of Carl or Glen Hundrup but didn't know. This is when I decided to write to you and find out if you were related or knew of that family at all?

I have been working on the Thompson family for some time and recently came across this daughter of which I wasn't able to locate any info as what I had was sketchy so was glad to get her obit, but haven't been able to locate any relative to date.

I'll be very grateful for any help you can give me, hoping to hear from you.

Sincerely, (maybe a cousin?)

Dear Ms. Treadway,

Marie Brown, our mortician, gave your letter to me when she couldn't find a record of the death you sought. I couldn't either until a chance conversation with another gal on the 1902 census of Garfield co.

She and I got to your letter, somehow, and she said her mother had taken care of some children of a Mrs. Ditch when she (Betty) was 6 or 7 years old. She thought a while and said the kids' name was "Hundrup". Yesterday I went to The East Washingtonian and found Ethie's obit!

I remember Carl (he was blond) as he graduated with my sister in 1940. I understand he has passed away, but a couple of days ago the en-

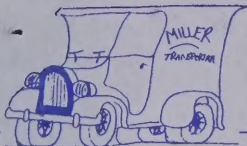

closed article was in the Lewiston paper, and I thought perhaps it might be Carl's or Glen's son.

Excuse my handwriting. I had a small stroke a year ago.

Good hunting!

Elaine Anderson

Director,

I am trying to locate some information on a cousin and was wondering if you would have any records. You are the only funeral home listed in Pomeroy and that is where she was to have died. Could you send me a photo copy of the information if you have on her death and burial if you have, also on husband.

Dear Gladys,

I have searched our death records + cannot locate your cousin's. Do you suppose she was removed by an outside area funeral home? I am going to see Elaine Anderson, a locate genealogist who

loves doing this kind of research.
I will have her mail any infor-

Dear Marie Brown,

I want to thank you for the help and info you sent on my letter about Ettie Hundrup. Also want to thank you for having Elaine Anderson help me on this. She did find the obituary from the newspaper and sent to me, along with another article that had just appeared in the Lewiston paper on one Daniel Hundrup that could be a connection. You had sent me his name and I have a letter out to him and will do the same with your other suggestions.

I do find it strange you have no record of Ettie Hundrups burial as the obit stated her funeral was held at the Richardson Funeral home, unless the time period was too early for your records.

Anyway just wanted you to know I really appreciate your help and thoughtfullness of asking Elaine Anderson to help as well.

Sincerely,

Dear Gladys,

Glad to get your letter and the pictures. I didn't intend to be so long in answering, I was in the midst of working out a Thompson chart on 20X24 tagboard which I do to make it easier for non-genealogists to understand the relationships, when our son came home from a visit with my Dad with a letter from a Thompson relative on my side of the family. We did not know what had happened to the sister of my great grandmother so it was a treat to get her inquiry. So, I put everything else aside to write to her and we exchanged a lot of information and more to do yet. *She only lives maybe 150 mi from here.*

And then I got into a major cleaning project in the basement. 14 year old Lisa and I started cleaning and I discovered we have termites, so that involved more cleaning and throwing out junk. Needed to be done, but I don't need bugs. The termite man will come Tuesday and get started on whatever they do to get rid of them. They are not generally a problem that I know of, ^{in this area} altho we had them in our old house but didn't know what they were at that time.

Lisa was home for spring vacation last week and we got a lot done. She cleaned and sewed and it keeps me busy keeping up with her. Saturday, we went to an auction sale. I bought a stack of old baskets and an antique cookbook- an 1917 Fannie Farmer Boston School of Cooking. Lisa wanted it, she is beginning to collect cookbooks and is a blue ribbon baker in 4-H and the Grange contests. And she wins blues with her sewing.

I have my doubts about Spitsnogle and Lincoln, because I sure can't get them in the area together. Same for JWT, Sr. serving "with" Grant, as you say Grant was head of the army.

Enclosed are some better pictures than the photocopies. Lisa says Nellie looks so sad, from what my mother-in-law said, I really don't think she was a happy woman. She and Ed White were seperated before my mother-in-law, Lillie was born, then Ed's mother was the typical interfferring mother and then they finally remarried. The sisters Helen and Jean tell a different story than Lillie, but then Lillie had to do a lot of the work because there were so many younger ones to look after. I think there was some resentment on Lillies part that the sisters never felt. *But don't tell them I said so!*

Saw your ad in the current Helper. ^{perhaps} Maybe something will come that will help you out. If Ann Thompson were a sister of JWT she should have been on the land records too. Did you write to Louisa Co. Iowa for a will for William Hall? It might say if JWT is Anna's son. There should be something, perhaps an obit for JWT.

I had best close for now, it's bed time. Write when you can.

Best wishes

Joyce

Copy of letter written by son George to a niece and he states some things that are not true, about JOhn Sr and wife of John Jr's families.

Members of this family are under the assumption that John SR. sister was the mother of GEN JOHN J PERSHING. I have checked this out and find there is no possible way there is a connection. I have enough on Gen Pershings family to be certain there is no relation.

Dear Mr. Brost;

Thank you for your help and sending me the information on who bought the lot that John W. Thompson was buried in and also the names of the other's buried there.

I have one more question that maybe you can help me with. Do you have any information on the persons buried in Lot 4, Block 1 of the 1st addition. You gave me the names of Benjamin F. Thompson, Chaterline Thompson, J.W. Thompson and Eli Thompson.

Do your records show when any of these were buried and died? I have J.W. Thompson's but need the information on the others. If you don't have any information could you tell me who would have? Since the lot was purchased in 1908 they probably would have died after that.

Any help you can give me would be most helpful. Thank you.

Sincerely;

Gladys L. Treadway

John W. Thompson died Dec. 20, 1915 at the age of 60

Eli Thompson died Jan. 7, 1948 at Blackfoot, Idaho

I could find no record of the other two, in our files. If they died in Washington, you might try writing to the Dept. of Vital Statistics in Olympia, Wa.

Dear Mrs. Treadway

The obituary from Mr. Thompson was in an old bound volume which could not be placed on our copy machine. I've typed it off here. Thornton is a small farming community 18 miles north of Colfax.

We can't put your letter to the editor in the paper as such. However if you'd like to run it as a personal ad in our classified section you can get your message out. At 65 words, your advertisement would run \$7.80. We'll allow you your \$3 as credit toward the ad, so if you wish to run it please send the \$4.80 balance. If you prefer not to do this, we'll call it even.

Thankyou either way and good luck on your research

Jerry Jones, editor

(please send any reply attn. me so I can explain it to our classified ad girl.)

Wapello couple gets national honor for refurbishing a 1925 Hart-Parr 12-24

WAPELLO, Iowa — Vintage tractor owners Lyle and Kyla Spitznogle have won national recognition for their efforts in restoring a 1925 Hart-Parr 12-24.

"We found the tractor in North Dakota, and it was mechanically sound," Lyle said. "We sandblasted it, painted it, got a different gas tank and replaced the wood operator's platform. Otherwise, it was all there."

And to prove it still works well, the Spitznogles meet with other tractor buffs every spring to plow 30 to 40 acres. Later in the summer, they thresh oats with it.

Two recognized founders of the farm tractor industry, Charles W. Hart and Charles H. Parr, formed the Hart-Parr Co. in Charles City in 1902. The 1925 model cranks on the right-hand side, and its belt pulley is on the left-hand side. The kerosene-burning engine features a 5½-inch bore and 6½-inch stroke for plenty of torque.

The early tractors leaked oil and had slow worm gear steering, but they still beat horses to the end of the field.

The Spitznogles' Hart-Parr 12-24 was one of the finalists from

Lyle Spitznogle

among hundreds of entries submitted to Du Pont for its 1990 calendar. A dozen different makes are showcased, all from the 1920s and 1930s.

A photograph of the tractor, a pioneer in the industry, appears in the 1990 Classic Farm Tractor calendar, which will be distributed by Du Pont to more than 100,000 farmers. A companion full-color poster and videotape also are selected, featuring all 14 tractors available for the calendar.

"Selecting only 14 from so many beautifully done restorations was a tough job," said John Harvey, Du Pont's communications manager. "We easily could have produced several calendars featuring just Iowa machines."

Dear Lillie & Delbert:

Will write you a line or two. It is foggy here today. Just got back from Watsonville. Some one stole the headlight door off my car, went over there to get a new one. The Ins. Co. has to replace it Cost them \$12.00.

I am like you I think Minnie is wrong about Mary being born in Iowa, her your mother and Ben were born in MO. Eli in Iowa, then Clarence in MO. Emma and me in Wash. Now that is the way I always had it.

Your Grandpa and Grandma were married in Muscatine, Iowa Sept. 14th 1874 and went right down to Mo. to Grandpas folks. They were going to come west in 1875 but Mary would of been born on the road and they gave up the trip. They were coming by wagon train. Then they sold out in 1879 and was coming west and Grandpa Thompson talked them out of it and gave them 80 acres of land, then they stayed until Clarence was 1 yr old and sold out again and left Kirksville, MO. Mar 4th 1889 and came to Umatilla Oregon and stayed there all that summer.

Then that fall some woman came down from Colfax and told them about Bill Miller that is (Georges Brother) having a 1/2 section and wanting a renter so your grandpa came up and rented it. The house was right up the flat from your Grandma Whites about 1 1/4 miles jthat is where Emma and I were born, they lived there 5 years. Bill Miller wouldn't rent the place but for only 1 yr at a time so your Grandpa rented 320 acres at Thornton for 3 yrs and moved there in fall of 1894, and some one bot the place and took over when your grandpa's first lease was up and he moved just over the hill to the Jim Smith house to winter and that is where Ben died Feb. 4th 1898. then he bot there on Pleasant Valley. The house that Emma and I were born in stood just 1 mi. south and 1/2 mi. East of the house on the home place up the Valley.

Your Grandpa Thompson had three Bros. & 2 sisters. The oldest was Charles, then I think the two girls came next Louwisa who married a fellow by the name of Popes, then Sarah married Ben Linder then Lee, your Grandpa then Willard.

Your Grandpa was born in Iowa Oct 19th 1855, Willard was born down in MO. I think. Your Great Grandpa Thompson moved from Iowa to MO. in the spring of 1858. and was a Sargent with Grant during the Civil War. And Charles served the last year of the Civil War. He was with Grant also.

Your Great Grand mother Thompson was 1/2 Dutch 1/2 Irish and your Great Grandpa Thompson was 1/2 Scotch 1/2 English. If you don't have the date your Grandpa Thompson died its Dec. 19-1915.

Both sides of your grandma's house were Pennsylvania Dutch. She had 5 bros two sisters. The oldest was Lorenzo, then Isaac, then John or Jacob I don't know which one of those two came first then Mary, then the twins Jane & George then your Grandma Emmaranda Sophia spitsnogle.

Your Great Grandma Spitsnogle was supposed to be married before she married George Spitsnogle and had one girl, which you never heard them say much about she died young. Her first husbands name was Rice.

Your Grandma Thompson was born in Illinois and they moved to Iowa when

she was about 3. So that would make it about 1857. She was born 12-1-1854. I think your Great Grandpa Spitsnogle was born in Kentucky for him and Ab. Lincoln were school boys together and used to visit and stay all night with each other.

This 1/2 sister of your Grandma's name was Latricia. I couldn't think of it for a while.

When Lincoln and your great Grandpa were School Kids together Lincoln went to School when he got a chance but your great grandpa played hookey and went fishing.

Will this is all I can think of to tell you now.

I didn't get to see Seth this time he was over to the beach but I was in San Jose that day and didn't get home until after 8 o'clock that evening and he had gone home, and at that time I was having trouble with my back and I didn't get back into San Jose for three weeks.

Are you and Delbert Coming down this winter? I am not getting up this year my daughter from Seattle was down so I will wait until next year.

No I didn't know Claude Gates was in Pullman. I haven't heard from them since last Xmas. except about the last of Jan. or first of Feb. When I got the letter from Lloyd in the Philippines.

Have you heard from Minnie lately? I wrote her last week. I got a letter from her while she was in Alaska.

I suppose Bob and Betty are home by now. I bet they enjoyed their trip around the world.

Ask Delbert if he is voting for Goldwater. I think I know what he will say.

I think I will close. Hope you can make out all this family history I have tried to write up for you.

Your Uncle
George

P.S. Ask Minnie if she knows where she was born. It was on her Grandpa Millers old homestead and your Aunt Anna White owned it when she died.

(this is typed copy. Joyce E. Hamilton sent me a copy of the original, which she has.)

Then that fall some woman came down from Colfax and told them about Bill Miller that is (Georges Brother) having a 1/2 section and wanting a renter so your grandpa came up and rented it. The house was right up the flat from your Grandma Whites about 1 1/4 miles jthat is where Emma and I were born, they lived there 5 years. Bill Miller wouldn't rent the place but for only 1 yr at a time so your Grandpa rented 320 acres at Thornton for 3 yrs and moved there in fall of 1894, and some one bot the place and took over when your grandpa's first lease was up and he moved just over the hill to the Jim Smith house to winter and that is where Ben died Feb. 4th 1898. then he bot there on Pleasant Valley. The house that Emma and I were born in stood just 1 mi. south and 1/2 mi. East of the house on the home place up the Valley.

Your Grandpa Thompson had three Bros. & 2 sisters. The oldest was Charles, then I think the two girls came next Louwisa who married a fellow by the name of Popes, then Sarah married Ben Linder then Lee, your Grandpa then Willard.

Your Grandpa was born in Iowa Oct 19th 1855, Willard was born down in MO. I think. Your Great Grandpa Thompson moved from Iowa to MO. in the spring of 1858. and was a Sargent with Grant during the Civil War. And Charles served the last year of the Civil War. He was with Grant also.

Your Great Grand mother Thompson was 1/2 Dutch 1/2 Irish and your Great Grandpa Thompson was 1/2 Scotch 1/2 English. If you don't have the date your Grandpa Thompson died its Dec. 19-1915.

Both sides of your grandma's house were Pennsylvania Dutch. She had 5 bros two sisters. The oldest was Lorenzo, then Isaac, then John or Jacob I don't know which one of those two came first then Mary, then the twins Jane & George then your Grandma Emmaranda Sophia Spitsnogle.

Your Great Grandma Spitsnogle was supposed to be married before she married George Spitsnogle and had one girl, which you never heard them say much about she died young. Her first husbands name was Rice.

Your Grandma Thompson was born in Illinois and they moved to Iowa when

she was about 3. So that would make it about 1857. She was born 12-1-1854. I think your Great Grandpa Spitsnogle was born in Kentucky for him and Ab. Lincoln were school boys together and used to visit and stay all night with each other.

This 1/2 sister of your Grandma's name was Latricia. I couldn't think of it for a while.

When Lincoln and your great Grandpa were School Kids together Lincoln went to School when he got a chance but your great grandpa played hookey and went fishing.

Will this is all I can think of to tell you now.

I didn't get to see Seth this time he was over to the beach but I was in San Jose that day and didn't get home until after 8 o'clock that evening and he had gone home, and at that time I was having trouble with my back and I didn't get back into San Jose for three weeks.

Are you and Delbert Coming down this winter? I am not getting up this year my daughter from Seattle was down so I will wait until next year.

No I didn't know Claude Gates was in Pullman. I haven't heard from them since last Xmas. except about the last of Jan. or first of Feb. When I got the letter from Lloyd in the Philippines.

Have you heard from Minnie lately? I wrote her last week. I got a letter from her while she was in Alaska.

I suppose Bob and Betty are home by now. I bet they enjoyed their trip around the world.

Ask Delbert if he is voting for Goldwater. I think I know what he will say.

I think I will close. Hope you can make out all this family history I have tried to write up for you.

Your Uncle
George

P.S. Ask Minnie if she knows where she was born. It was on her Grandpa Millers old homestead and your Aunt Anna White owned it when she died.

(this is typed copy. Joyce E. Hamilton sent me a copy of the original, which she has.)

Jacklyn said Eva was diabetic at age 48 and she had one of the first insulin pumps in the Spokane area. She was very active in the Inland Empire Diabetic Assoc. She was very intelligent as was all of Nellies children. They think the diabetes came from the White side of the family.	
Find A Grave of Eva F. White listed birth and death dates but no places, pic of large stone with both names on it, spouse, parents listed and 7 siblings.	
Note: W/O.C. Leon Miller and shares headstone with him, Married Dec 3, 1928

GLADYS L. TREADWAY

Sincerely your cousin,

Thank you for your time and help.

Your father sent me some information on your families and I was hoping you could complete the form enclosed for me. I am also trying to collect as many pictures of the families as I can also and if you would have a spare one, I'll be most happy to receive it.

I have been trying to get farther back on the Thompson line but to date no luck. I have quite a lot from John to date. I am trying to complete all the lines and hopefully one day can put it all together.

John W. Thompson Sr. married Mary Harpole in Madison Co. Ohio and they moved to Louisa Co. Iowa then to Adair Co. Missouri, where they both died. The had 6 children, Louisa Jane, Sarah Elizabeth, Charles W., Levi Douglas, John W. Jr. and Willard O. Thompson. Your grandmother was a daughter of Levi Douglas.

I am descended from your father's mother's line of the Thompson family. I have been working on my Thompson line for several years and knew one of them went to Washington state and have just now located some of the relatives.

I would like to complete the information.

I have been corresponding with your father and he has sent me some information on your family but if you don't mind

Aptos Oct 6th 1964

Dear Lillie & Delbert:

Will write you a line or two. It is foggy here today. Just got back from Watsonville. Some one stole the headlight door off my car, went over there to get a new one. The Ins. Co. has to replace it Cost them \$12.00.

I am like you I think Minnie is wrong about Mary being born in Iowa, her your mother and Ben were born in MO. Eli in Iowa, then Clarence in MO. Emma and me in Wash. Now that is the way I always had it.

Your Grandpa and Grandma were married in Muscatine, Iowa Sept. 14th 1874 and went right down to Mo. to Grandpas folks. They were going to come west in 1875 but Mary would of been born on the road and they gave up the trip. They were coming by wagon train. Then they sold out in 1879 and was coming west and Grandpa Thompson talked them out of it and gave them 80 acres of land, then they stayed until Clarence was 1 yr old and sold out again and left Kirksville, MO. Mar 4th 1889 and came to umatilla Oregon and stayed there all that summer.

Then that fall some woman came down from Colfax and told them about Bill Miller that is (Georges Brother) having a 1/2 section and wanting a renter so your grandpa came up and rented it. The house was right up the flat from your Grandma Whites about 1 1/4 miles jthat is where Emma and I were born, they lived there 5 years. Bill Miller wouldn't rent the place but for only 1 yr at a time so your Grandpa rented 320 acres at Thornton for 3 yrs and moved there in fall of 1894, and some one bot the place and took over when your grandpa's first lease was up and he moved just over the hill to the Jim Smith house to winter and that is where Ben died Feb. 4th 1898. then he bot there on Pleasant Valley. The house that Emma and I were born in stood just 1 mi. south and 1/2 mi. East of the house on the home place up the Valley.

Your Grandpa Thompson had three Bros. & 2 sisters. The oldes was Charles, then I think the two girls came next Louwisa who married a fellow by the name of Popes, then Sarah married Ben Linder then Lee, your Grandpa then Willard.

Your Grandpa was born in Iowa Oct 19th 1855, Willard was born down in MO. I think. Your Great Grandpa Thompson moved from Iowa to MO. in the spring of 1858. and was a Sargent with Grant during the Civil War. And Charles served the last year of the Civil War. He was with Grant also.

Your Great Grand mother Thompson was 1/2 Dutch 1/2 Irish and your Great Grandpa Thompson was 1/2 Scoth 1/2 English. If you don't have the date your Grandpa Thompson died its Dec. 19-1915.

Both sides of your grandma's house were Pennsylvania Dutch. She had 5 bros two sisters. The oldest was Lorenzo, then Isaac, then John or Jacob I don't know which one of those two came first then Mary, then the twins Jane & George then your Grandma Emmaranda Sophia spitsnogle.

Your Great Grandma Spitsnogle was supposed to be married before she married George Spitsnogle and had one girl, which you never heard them say much about she died young. Her first husbands name was Rice.

Your Grandma Thompson was born in Illinois and they moved to Iowa when

she was about 3. So that would make it about 1857. She was born 12-1-1854. I think your Great Grandpa Spitsnogle was born in Kentucky for him and Ab. Lincoln were school boys together and used to visit and stay all night with each other.

This 1/2 sister of your Grandma's name was Latricia. I couldn't think of it for a whilele.

When Lincoln and your great Grandpa were School Kids together Lincoln went to School when he got a chance but your great grandpa played hookey and went fishing.

Will this is all I can think of to tell you noow.

I didn't get to see Seth this time he was over to the beach but I was in San Jose that day and didn't get home until after 8 o'clock that evening and he had gone home, and at that time I was having trouble with my back and I didn't get back into San Jose for three weeks.

Are you and Delbert Coming down this wasthis winter? I am not getting up this year my daughter from Seattle was down so I will wait until next year.

No I didn't know Claude Gates was in Pullman. I haven't heard from them since last Xmas. except about the last of Jan. or first of Feb. When I got the letter from Lloyd in the Philippines.

Have you heard from Minnie lately? I wrote her last week. I got a letter from her while she was in Alaska.

I suppose Bob and Betty are home by now. I bet they enjoyed their trip around the world.

Ask Delbert if he is voting for Goldwater. I think I know what he will say.

I think I will close. HOpe you can make out all this family history I have tried to write up for you.

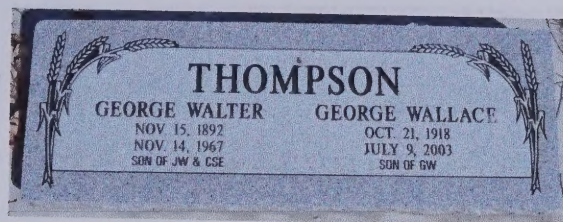

Your Uncle
George

P.S. Ask Minnie ifshe knows where she was born. It was on her Grandpa Millers old homestead and your Aunt Anna White owned it when she died.

(this is typed copy. Joyce E. Hamilton sent me a copy of the original, which she has.)

Notes

HUSBAND - Willard O. Thompson

BIRTH: Family descendants, census records.

MARRIAGE:(NO) A possiblity Willard md Ida Broyles 15 Nov 1896 Macon Co. MO. There was a Willard (Charles or O.) Thompson that did. Pretty sure it wasn't Charles Willard Thompson. If so maybe a 2nd mg???? Was said to have 3 childrey by Ida ?. This W.O. Thompson was married twice and 2nd time in 1884 to Ida ? (but wouldn't be Broyles). This Willard O.'s wife lived until 1939 so doubt he md by 1896, will have to look farther to find who md Ida Broyles.

Marriage to Ida May Merritt 8 Oct 1884 Helena, Lewis & Clark Co. MT. Believe to have had 5 children all born in Montana. She died in 1939

DEATH: He was listed as living in St Maries ID in 1927 obit of sister. However wrote to ID and they checked death certifies from 1911 to 1968 and did not locate any record. He was living in St Maries, ID in 1934 according to his brothers obit as well.

Find A Grave internet site listed Willard O. Thompson birth and death year, wife Ida may 1867-1939, pic of grave marker and entrance to cem. Where both are on same stone.

Other info US census 1830 Willard O. Thompson, Power Line, Kootenai, Idaho, male age 72, md b. MO 1858, Head Willard O. Thompson m. 72 MO, wife Ida M. f 62 MT, son John B. m 42 MT.

(there was a son John E. age 42 b. MT, could be same as John B? (copy) Plot: E-54 -05

A letter his sister Sarah wrote out west stated Willard was in Iowa and she was going to visit him (1900) have checked census records and haven't located him in IA-ID but did locate him in Lewis & Clark Co. MT in 1900 and 1910 census.

Two letters dated Jun and Aug 1901 indicate the girls were teen age and the boy younger. Summer of 1901 Helena Montana (maybe written to MT?) Letter from Joyce Hamilton in WA.

Wrote to Benewah Co. Clerks office, 7th & College Ave, Saint Maries, ID 83861 April 1995 and received negative answer May 1995 from Auditors office, they had no death records there, all at state leval. Then Civil Records Dept said no info on estate of Willard or Ida Thompson from 1911 on.

Checked 1900-1910-1920 census and soundex for MT in FT Wayne, Oct 1995.

CENSUS:

1860 Adair Co. MO Liberty Twp. Willard age 2 MO with parents.
